Sharing and Publishing your Storymap

When viewing your Storymap, click the **Share** button in the upper righthand corner of the screen.

If you are only sharing the **Link** to your Storymap, highlight and copy the URL in the **Link** field, and paste it in the desired location.

If you are embedding your Storymap in another web interface, copy the **Embed** code, and paste it in the desired location.

Once you are done, click **Close**
